WORK/PLAY WALKWAY

**DESIGNED BY ADAM NATHANIEL FURMAN
FOR PULLMAN HOTELS & RESORTS**

'Work/Play Walkway' references the face of an analog clock acknowledging the day/night, work/play schedule of the Pullman global nomad guest. Stripes represent hotel walkways' extending forever in their energetic dance. Pyramids, both broken down and dynamic, imply peak vitality and intense energy.

The London-based designer Adam Nathaniel Furman published and exhibited widely. He is known for his intensely energetic talent for shape, form and colour. He has created a unique collection of graphic patterns that embodies the Pullman Hotels & Resorts spirit.
